PRINCIPAL'S MESSAGE

Sunil Kumar Thakur
Principal

Marching forward with unwavering principles, MSP International School stands committed to dispelling ignorance and spreading the light of knowledge. With pride and purpose, we continue to raise the flag of our institution, promoting academic excellence alongside strong moral values.

In a rapidly changing world, we understand that today's generation—our young learners—require instant access to information and, more importantly, meaningful guidance. To meet this need, MSP International School continually updates its teaching methodologies to remain relevant and impactful.

At the same time, we embrace the responsibility of shaping compassionate and balanced individuals. Through practices such as Havans and meditation, we instill values of mindfulness and empathy. Our students are encouraged to contribute to society through various social campaigns, helping them grow into responsible and sensitive citizens.

Ultimately, our goal is to empower our students to be brave, brilliant, and discerning—like eagles with a sharp vision for their goals. At MSP International School, we adopt innovative strategies to instill values that bring hope, humanity, and excellence into the world.

I AM A SELF-LEARNER

THINK

Think big, think free, because what you think is what you become. Ask questions, find your answers. Make the best possible.

LEARN

Open your mind to new ideas. Pursue your passion. Accept mistakes. Move on and learn.

IMBIBE

Appreciate new experiences. Know who you are. Use all your learning to become the best.

INNOVATE

Discover new, every day. Find new ideas that will make a difference. Enjoy a new way of life.

CHOOSE

Pick what is right for you. Pursue your goal even if it is difficult. Use your will to make it happen.

LEAD

Be responsible for your growth. Lead yourself to wisdom and success. You are a powerhouse. Realize your full potential.

INFRASTRUCTURE

CLASSROOMS

"Rest not till you reach"- we stand firm by the motto of the school and strive to provide the best infrastructure to the students at The Asian Senior Secondary School. The process of modernisation in such dynamic times is never ending, yet we keep abreast with the latest technologies and unhesitatingly incorporate the latest tech like smart boards, inclusion of multimedia, modelled and hands on methods of teaching . The classroom are designed to be naturally well lit with huge windows in conjunction with artificial lights. They are spacious and offer a clutter free environment because long after the students leave they will, but miss the classrooms. The architecture of the building is such that there is a good channel system of airflow through all corridors and classrooms All classrooms are well equipped with user / student furniture offering and air-conditioner , offerring the comfort of home .

LIBRARY

At the very heart of the school is a well equipped modern library with a variety of books, subscription of dailies, periodicals, magazines and e-resources that provide access to the latest podcasts, Ted talks and other interactive modes of instruction in conjunction with academic books and creative books. The library acts as an important resource centre for all students with books ranging from reference books, subject related books as well as classics and bestsellers

HI-TECH LABS

PEDAGOGY AND TEACHING PRACTICES

We fol low and practice a learner focussed pedagogical approach. Under this, an array of teaching strategies are employed to foster curiosity and actively engage students throughout the learning process. Such interactive teaching methods not only help in understanding concepts in a better manner but also provide an enriching learning experience.
